

ELKAY

ezH2O Liv Pro™ In-wall Filtered Water Dispenser

ezH2O Liv Pro

Serve guests and colleagues cleaner, healthier water in a sustainable way with an Elkay ezH2O Liv Pro™. This hands-free water dispenser is designed for commercial and hospitality environments such as lobbies and conference rooms. Say goodbye to ordering expensive cases of bottled water that take up precious storage space.

Seamless Design

Install a filtered water dispenser in convenient commercial spaces. Sleek glass and brushed stainless steel design looks great in any space.

Filtered Water

NSF-certified 3,000-gallon filter reduces lead and harmful contaminants.

Bottles Saved

Backlit LED Green Ticker™ counts the number of disposable, single-use plastic bottles served without the plastic bottle waste.

Sensor Activated

Hands-free filling with automatic timed shut off to help prevent accidental spills and messes.

In-wall Installation

Fits within 16" OC 2" X 4" studs near water and electrical; includes drip tray with optional drain connection.

Chiller Options

Unit can be installed with or without a chiller. Various chiller options available, based on application. Chiller sold separately.

Optional Accessories

AP99 Access Panel 9" x 9" x 6"

ECF3000 WaterSentry® Plus Commercial Replacement 3,000-gallon Filter

EFBLIVSC Elkay ezH2O Liv Filter Box Kit

Stainless steel accessory installs directly underneath the ezH2O Liv water dispenser and serves as filter housing for non-refrigerated Liv models.

For Liv models with a remote chiller, the filter should install near water source/chiller. (Up to 15 feet away from water dispenser)

ezH2O Liv Pro is for indoor use only.

ABOUT ELKAY

For more than 100 years, Elkay® Manufacturing has been making innovative products and providing exceptional customer care. Like your family, Elkay has values and traditions that endure. We take pride in offering reliable products that inspire change and leave the world a better place for generations to come.

Headquartered in Downers Grove, Illinois, Elkay is American owned and operated, providing thousands of jobs that support our families and communities. We are proud to be America's No. 1 selling kitchen sink company, as well as a leading manufacturer of award-winning water delivery products, including the ezH2O® bottle filling station.
